

REMARKS

A Notice of Allowance was mailed April 9, 2004, by the U.S. Patent and Trademark Office in connection with the above-identified application. The issue fee is due July 9, 2004 and has not been paid. This Amendment is therefore timely filed.

This Amendment After Notice of Allowance is submitted to make editorial amendments to claims 1 and 2. The amendments being editorial in nature, no new matter has been added to the application.

Entry of the present amendment would not change the scope of the claims. Applicants also submit that entry of the amendment will require no substantial additional work on the part of the United States Patent and Trademark Office.

No fee is believed due with this paper. Should the Patent and Trademark Office determine that a fee is due, however, the Office is authorized to charge Darby & Darby deposit account no. 04-0100.

In light of the above remarks, entry of this Amendment After Notice of Allowance is respectfully requested.

Respectfully submitted,

Dated: May 10, 2004
